

SHERIF AMR MAHMOUD AMER

Computer Engineering Graduate | Junior Flutter Developer

Location: Giza | Phone: +201023225772 | Email: sherifamer072@gmail.com | LinkedIn: @sherif-amer-b63143212

SUMMARY:

Computer Engineering graduate and Software Developer with a focus on Mobile app development, passionate about building scalable, high-performance mobile and web applications with seamless user experiences. Experienced in frontend development, responsive UI design, and UI/UX principles, with strong skills in Flutter & Dart, REST API integration, Firebase, and modern state management. Continuously expanding expertise in DevOps, Cloud technologies, and modern software engineering practices to deliver efficient, production-ready solutions.

EDUCATION:

Bachelor of Engineering (B.Eng.) – Computer Engineering

From Misr university for science and technology (MUST)

2020-2025

GPA: 3.09

Technical Skills:

Mobile Development:

- Flutter & Dart
- REST API Integration
- State Management (Bloc/Cubit)
- Firebase Integration
- Responsive Mobile UI Development

Frontend Development:

- HTML5 & CSS3
- JavaScript (Basic)
- Responsive Web Development
- UI/UX Design Implementation
- Bootstrap

UI/UX Design:

- Figma (Wireframing, Prototyping)
- UX Principles (User Research, User Flow, Usability)
- AI Design Tools

Programming Languages:

- python
- C++

Operating Systems & Scripting

- Linux
- Bash (Shell scripting)

Version Control

- Git
- GitHub

PROJECTS:

- Graduation Project: (Smart Real-Time Attendance System)** Sep 2024 – Jul 2025
Misr University for Science and Technology Grade: Excellent
 - Developed a responsive frontend for a Smart Real-Time Attendance System
 - Collaborated on integrating YOLOv11 and FaceNet for real-time facial recognition
 - Achieved Excellent grade and selected among the Best Graduation Projects (2025)
 - Demonstrated strong teamwork and applied AI integration skills
- Medicall – Medical Consultation App (Flutter)**
 - Developed a medical consultation app using Flutter & Dart
 - Designed responsive UI following UX principles
 - Built core features for online healthcare services
 - Integrated REST APIs for dynamic data flow
 - Used Firebase for authentication and data management

- **To-Do App (Flutter)**
 - Built a task management app using Flutter
 - Implemented add, edit, delete, and task tracking features
 - Focused on clean UI and state handling
 - **BMI Calculator App (Flutter)**
 - Developed a simple health calculator using Flutter
 - Implemented BMI logic with responsive UI design
-

Professional Experience and Trainings:

- **Mobile Development (Flutter) Trainee**

at National Telecommunication Institute (NTI)

Feb2026 – May2026

- Developed cross-platform mobile apps using Flutter & Dart
- Built responsive UI following UI/UX principles
- Integrated REST APIs for dynamic data handling
- Implemented state management in Flutter
- Used Firebase for authentication and data management

- **UI/UX Trainee**

at Orange Digital Center

Jan2026 – Feb2026

- Designedwireframesandinteractiveprototypes.
- ConductedUXresearchandapplieduser-centereddesign principles

- **DevOps Trainee**

at Orange Digital Center

Sep 2024 – Nov 2024

- BuiltandautomatedCI/CDpipelines.
- WorkedwithDocker,Kubernetes,Terraform,GitOps,and Grafana

- **Cloud Computing Trainee**

at NTI-Huawei Egyptian Talents Academy (ETA)

Jun 2025 – Feb 2025

- Builtandmanagedcloudinfrastructurecomponents through practical labs.
- Workedonvirtualization,networking,andcloudservices deployment.

- **Frontend Trainee**

at Telecom Egypt (WE)

Jun2024 – July2024

- Developedresponsiveanduser-friendlywebinterfaces.
- UsedHTML,CSS,JavaScript,andBootstrapinpracticalprojects.

- **Network Trainee**

at Telecom Egypt (WE)

Sep 2023 – Oct 2023

- AppliedTCP/IP,routing,andswitchingconcepts inlaband real-worldscenarios.

- **WEB DEVELOPMENT CHALLENGER TRACK**

with egyptfwd initiative

Feb 2022 – Apr 2022

- Completed web development track with hands-on frontend projects, reinforcing core web skills.
-

SKILLS:

- Teamwork & Collaboration
- Time Management
- Communication Skills
- Creativity & Problem Solving
